Concessions Committee Update

Dear Parents,

We want to thank you for all your support.

The Volleyball Concessions Committee has filled all its spots for volunteers. Concessions is a wonderful way to see the students in their school environment and see how they interact with each other. It is a fulfilling activity that always puts a smile on all the volunteer parents seeing how kind and courteous the students are. Also you get to work with wonderful parents allowing you to meet new people at your kids school.

Take the opportunity to volunteer for all the various committees that are run by Conant HS Boosters. If there is a spot that empties up we will let everyone know. **Please remember that this committee is a year long committee which will need help during the spring volleyball season.**
