## Can = \$ for Conant Boosters!

Every time you shop at Amazon you can select a charity to get .05% of your purchase total.

Go to [www.smile.amazon.com](http://www.smile.amazon.com) and select "Conants Cougar Booster Club Inc." as your charity. We received more than \$250 during the last school year - let's bring in more this year!

"Our primary concern this entire process has been the safety of the students and staff working on the show. We adapted to online auditions rather than in person, held virtual rehearsals until later in the process, and brought in minimal crew members each day to work on building the set, pulling props, and organizing costumes. When we had cast members in person, our blocking rehearsals became more defined than usual in order to maintain social distancing while still telling a story and showcasing relationships."

This year the musical is moving from 100% on stage to a hybrid experience where the grounds of Conant also take a starring role.

"Since the show takes place in a house and a school we had the opportunity to build the home set on stage like we would any year, but we were also able to utilize spaces around Conant! Our show has scenes filmed anywhere from the back fields to the main hallway, atrium, and a science classroom," Apperson revealed.

She went on to marvel at how students stepped up to take leadership roles in the filming process. She also was pleased to see how the entire Conant community rallied to demonstrate the old adage "The Show Must Go On!"

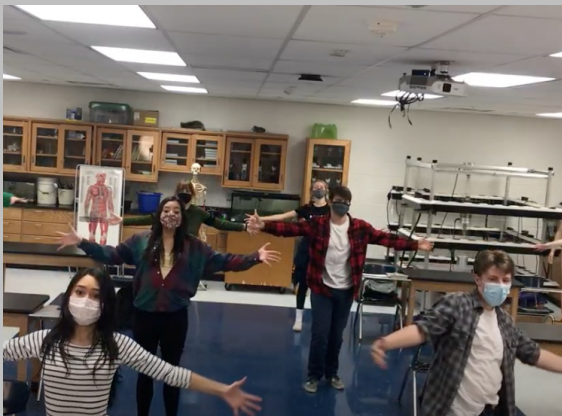

"I realized through this process how willing to help others are. Throughout my years at Conant, and especially through this experience, I've seen how generous the staff at Conant is. Art teachers gave lessons on filming, a wellness teacher set up an obstacle course, science teachers permitted us to use their room and equipment, administrators constantly checked in on our progress, and other staff members gave up time to be in a few scenes. In a time of such uncertainty, it was great to have the collaboration and support from other areas of the Conant community."

The show is available to view:  
7pm, November 5, 6, 7  
2pm, November 7

Go to [ShowTix4U.com](http://ShowTix4U.com) to buy tickets and get streaming information.
