President's Letter

2019-2020 Parent Volunteer Board

Hello Conant Community,

Elizabeth Paveza
President

What can I possibly say at this point? Change has been coming at us daily and from every avenue. We are changing our daily routines, the way our children learn, and the way we interact with each other in life. Maybe this will result in a re-focus on self-care and time with loved ones. Maybe we will see each other as more interconnected than we ever have in the past. Maybe we will become better. I am hopeful there will be a learned lesson at the end of all this change.

We have had to make some changes at Conant Boosters also. Unfortunately, we will be canceling some events and we are on a wait and see with others. We will do our best to keep you updated as decisions are made. Please read through as details about specific events can be found throughout this newsletter.

Thinking of you all! Stay safe and healthy!

Elizabeth Paveza
Conant Boosters President

Spotlight on Water Polo

Both boys' and girls' teams play in the spring and both Conant teams had a promising season ahead of them.

Let's take a look at the great history the Conant program has had up to this point.

Coach Bickus leads the girls and was excited to tell us the Varsity team is the 3-time defending MSL champion AND they haven't lost to an MSL opponent in two years! 5 seniors returned to lead the team this year: Sydney Arnold, Abigail Hanley, Sam Erne, Ishika Patel and Grace Rabe.

Coach Daniel is equally proud of the boys past performance. In 2018 they were the first MSL team to take home a state trophy and in 2019 they followed up with sectional and conference wins! Five seniors were also leading the boys' team: Spencer Urban, Aaron Nagorzanski, Konrad Sak, Sam Gosche and Alex Graczyk.

Best wishes for the graduating seniors and all returning players going forward!
