## Spotlight on BPA

Business Professionals of America is one of the largest student organizations at Conant and is an academic competitive club. Kids can compete in more than 60 events from finance to marketing.

Over the past 15 years, Conant has averaged 20 students who have qualified for national competition! We have had quite a few national winners and champions! Just last year we had national champions in Global Marketing Team.

Above is a picture of Conant BPA kids who competed at nationals in Anaheim, California in May 2019.

There are also several volunteer shifts available if you'd like to help with the action. [Click here](#) to see where help is needed.

We also can use some donations for our raffle including restaurant gift cards, sports tickets, lottery tickets and a variety of alcohol. Contact [Traci Garcia](#) if you can donate.

We can't wait to see you there!

BPA has traveled to New York, Reno, Orlando, Washington, DC, Chicago and Dallas with Conant national qualifiers the past 15 years! Faculty advisor Patti Ertl is confident Conant will have national qualifiers this year too.

You can follow the team on Twitter at @ConantBPA and @ConantBusEd.

Good luck to all involved in this outstanding Conant activity!
