Conant Athletic Director, John Kane, says more than 200 students are participating!

"The fall season has been going great. We have had many more students try sports that they have not done in the past."

Kane reports that one team in particular has made school history this fall.

"The biggest story of the fall season would be the Conant Boys Golf Team winning the MSL Varsity Golf Tournament. Senior Nikko Ganas continued to dominate by winning the tournament and freshman Nicolas Simon amazed many by finishing 2nd. All members of the team contributed to win the tournament."

The only sport without spectators was the indoor swimming and diving meets. They were broadcast on the school's YouTube channel however.

Next up, the IHSA will consider if any of the winter sports will be moved to later in the school year. Kane says to look for that announcement by the end of October. Those sports include Boys and Girls Basketball, Boys Swimming, Girls Bowling, Wrestling, Girls Gymnastics and Competitive Cheer.

Great job Conant athletes this fall and good luck to those hoping to participate in winter sports starting soon!

Congratulations to Principal Julie Nowak on being an ISBE **2020 Those Who Excel** award winner!

We know we enjoy working with Julie on all things Boosters.
