Letter from the President

Hello Conant Families,

It's hard to believe we're nearing the end of another school year. Congratulations to all of our graduating seniors & their families!

I'd like to remind all returning parents to please join the Boosters again for next fall- you'll be able to do it through the district registration website this summer or anytime through our *Conant Boosters* site.

We have one final fundraiser still underway, read on for more details.

Thanks for all of your continued support & we hope to see you at our meetings starting up again in August!

Have a great summer & go Cougars!

Cultural Awareness Club

It's been another
busy year for this
growing club.

They created a video on the Crisis in Ukraine and shared it on the school announcements. The club also gave Ukrainian support stickers out to the student body to raise awareness and asked for donations. The club raised \$400.00 and donated the money to UNICEF Ukraine.

Each month the club shares "An Immigrant's Story," highlighting students and faculty at Conant who have immigrated to the U.S. It gives them a platform to share their stories and experiences about what it was like to come to the United States, along with how their culture impacted them throughout their journey.

The club's popular International Fair was held again in March. It's a showcase of food, dance, music, and culture of the students in Conant High School. Hundreds of students participate to celebrate their culture and raise awareness to the various cultural identities that are representative of the student body.

This club meets every other Wednesday, 7:40 a.m. / Sometimes after school in Room: 208
